

Liquid Measurement Memory Trick

Learn this story to help you remember the liquid measurement equivalents.

The Royal Land of Gallon

In the royal land of **Gallon**, there live **4 Queens (quarts)**. Each **queen** has a **Prince and a Princess (pints)**. Each **prince and princess** has **2 Children (cups)**.

Directions: Draw a large green **G** to represent the land of **Gallon**. Draw 4 large **Q's** in red inside the **G**. Inside each **Q** draw 2 large **P's** in purple. Inside each **P** draw two **C's** in blue. Draw a yellow crown on top of the **G** to represent "The Royal Land of Gallon."

A large empty rectangular box with a double-line border, intended for the student to draw the memory trick diagram.
