

As sugar and flour come together to make  
A wonderful cookie creation that you bake,  
Parents and teachers join as one  
To create an educated daughter or son.  
It takes lots of love, caring, and understanding,  
But an individual will emerge who is special notwithstanding.  
We will work together to help each child bloom,  
So they can grow and prosper in this room.  
So I share this little confection with you as I say,  
I am committed to helping your child grow each and every day.  
Yes, the road is long, but the journey has begun,  
As we strive to educate your daughter or your son.
